

UNIVERSITY OF RAJASTHAN JAIPUR

SYLLABUS

M.Phil. in Energy

Semester Scheme

Examination 2017-2018

Centre for Non-Conventional Energy Resources University of Rajasthan

Jaipur

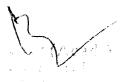

SYLLABUS M.Phil. (ENERGY)

Under UGC Innovative Program

The M.Phil. Energy course will be of one year (Two semesters).

Examination for the Second semester will be conducted at university level. There will be three theory papers and a practical/Dissertation. For each paper the distribution between internal and external marks is 20% and 80% respectively. The internal marks would be given by the teacher on the basis of continuous assessments as well as tests. In the external examination there will be four questions (20 marks each) with internal choise. The papers and distribution of marks will be as under:

Subject(s)/Paper offered	Max. Marks
